

THE COUPLE'S COVENANT

WE covenant to be open and honest.

WE covenant to build our relationship during our engagement to enhance our marriage to become a picture of “Christ and the Church.”

WE covenant to regularly spend time in prayer and the Word both alone and together.

WE covenant to place God's will and His Word above our relationship.

WE covenant to commit ourselves to a Bible teaching church and its leadership.

WE covenant to remain sexually pure and live separately from now until our wedding day.

IF one or both of us decide not to get married, we will make that known immediately.
